

## PRESS RELEASE

### **GT3 Lavaredo: discounted registration for those who book the affiliated accommodation**

GT3 Lavaredo Pinarello UCI Gravel World Series introduces a new initiative designed to improve the athletes' experience: a dedicated accommodation agreement that simplifies logistics and reduces participation costs.

From **1 May to 15 June**, by booking in one of the affiliated facilities at:

[gravelmarathon.gt3lavaredo.com/convenzioni](http://gravelmarathon.gt3lavaredo.com/convenzioni), athletes will be able to access the registration for GT3 Lavaredo Pinarello UCI Gravel World Series at the discounted price of **80 euros**.

A concrete initiative to allow participants to focus on what really matters: riding.

### **Two routes, one Dolomite experience**

Athletes can choose between two courses:

#### **Medium Course**

- 105 km
- 2,470 m D+

A smooth and flowing route, ideal for those who want to experience a gravel race immersed in the landscapes of the Tre Cime without facing extreme elevation gain.

#### **Long Course**

- 133 km
- 3,170 m D+

A technical and demanding route, designed for those seeking a complete challenge of endurance, rhythm, and iconic scenery.

For those who prefer a slower and more contemplative approach, the **GT3 Lavaredo Randonnée Brevet** is also available: a non-competitive ride on the Long course, a true bike trip through nature, silence, and the Dolomites, without the pressure of the stopwatch.

### **Participation also open to MTBs**

GT3 Lavaredo confirms participation is open to both gravel bikes and MTBs.

Qualification for the UCI Gravel European and World Championships is possible with any bike, provided the athlete finishes within the top 25% of their category.

### **A route that tells the story of the mountains**

The race unfolds through some of the most iconic locations of the Dolomites:

- start from **Lake Auronzo** (900 m)
- climb towards **Malga Klammbach** (1,929 m)
- passage through **Passo Tre Croci**, along the historic Dobbiaco–Cortina railway
- return to Auronzo among larches, silence, and the **Marmarole** peaks in the background

A route that blends nature, technique, and movement, designed for those who love the mountains and cycling in all its forms.

### **Why participate**

GT3 Lavaredo is not just a race: it is an experience that combines performance, landscape, and personal growth. An opportunity to challenge yourself, your preparation, and your desire to go further.

### **Important information**

The registration fee changes on **1 May**.
